Defendant.	)	

This matter is before the court on defendant's motion for a new trial and/or judgment of acquittal, Filing No. [92](#), and supporting brief, Filing No. [93](#). Defendant contends that (1) insufficient evidence existed to find him guilty, and (2) this court should have declared a mistrial during closing arguments. The court has carefully reviewed the motion and brief and denies the motion. The defendant received a fair trial and substantial evidence existed to support the jury verdict.

THEREFORE, IT IS ORDERED that defendant's motion for a new trial and/or judgment of acquittal, Filing No. [92](#), is denied.

DATED this 3<sup>rd</sup> day of April, 2009.

BY THE COURT:

Chief District Judge
